

Engine Flush

Cleaning additive added to old engine oil before an oil change

AER3601

PRODUCT DESCRIPTION

Dissolves and cleans oil and dirt. Deposits in the engine's oil and cooling passages form barriers against heat exchange, blocking the thermostat and regulating mechanisms. Excessively high engine temperatures cause the engine to run uneconomically, with increased wear and a high risk of damage. The product contains no aggressive acids or lyes. It will not damage rubber hoses or aluminium parts in your vehicle.

FEATURES

- Deep engine clean
- Dissolves oil sludge
- Smoother oil flow
- Frees piston rings
- Petrol, diesel & turbo compatible
- 300 ml, add to old engine oil

DIRECTIONS FOR USE

1. **Shake & warm engine** — Shake well. Use just before an oil change and bring the engine to operating temperature.
2. **Add to old engine oil** — Pour in the full 300 ml can. Suitable for engines up to 2500 cc.
3. **Idle for 15-20 minutes** — Let the engine idle; do not drive the vehicle.
4. **Drain, filter & refill** — Drain the old oil completely, replace the oil filter and refill with new engine oil.

PHYSICAL AND CHEMICAL PROPERTIES

Product type	Aerosol / automotive additive
Appearance	Liquid
Colour	Colorless
pH	5-6
Density (20 °C)	0.75-0.99 g/cm³
Solubility in water	Not soluble in water
Flammability	Flammable
Use	Ready to use (apply undiluted)

PACKAGING

Product Code	Pack Size	Units per Case	Barcode (EAN-13)
AER3601	300 ml	24	—

STORAGE

Pressurised container: protect from sunlight and do not expose to temperatures above 50 °C. Do not pierce or burn, even after use. Store in a cool, well-ventilated place.

The expiry date, production date and lot number are printed on the pack.

SAFETY INFORMATION

Signal word: Danger
H226 Flammable liquid and vapour.
H304 May be fatal if swallowed and enters airways.
H319 Causes serious eye irritation.
H336 May cause drowsiness or dizziness.
H371 May cause damage to organs.
P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
P331 Do NOT induce vomiting.
P280 Wear protective gloves/ protective clothing / eye protection / face protection.
P370+P378 In case of fire: use dry chemical powder to extinguish.
