

Motorcycle Helmet Interior Cleaning Spray

Cleaning foam for the interior of all helmets

AER1800

PRODUCT DESCRIPTION

DVX Motorcycle Helmet Interior Cleaning Spray cleans and refreshes the inside of all helmets without removing the padding. Its active foam penetrates the textile lining, lifts sweat, sebum and dust and neutralises bad odours. It leaves a fresh, pleasant scent and a clean feel when worn. Ideal for riders, couriers, driving schools and motorcycle and scooter rental companies.

FEATURES

- Eliminates bad odours
- Cleans without disassembly
- Active foam for textiles
- Fresh scent
- All helmet types
- Couriers and rental fleets

DIRECTIONS FOR USE

1. Shake — Shake the can well before use.
2. Spray — Spray the foam evenly over the interior padding.
3. Let work — Leave for a few minutes, then wipe off excess with a clean cloth.
4. Dry — Let the helmet air-dry before wearing.
