

Radiator Cleaner

Cooling-system cleaner, acid-free, safe on aluminum

AER3003

PRODUCT DESCRIPTION

Regardless of the production material, all kinds of cooling radiators are used safely. It is suitable for annual maintenance in long-term radiator usage. As it does not contain acid, it does not damage rubber and aluminum parts. It cleans oil, lime, rust, mud and residue in the cooling system. It cleans the dirt formed after engine repairs and removes oil residues caused by cover failure. It prevents rusting and excessive heat after maintenance. It is sufficient for radiators with 2-6 liters of fluid reservoir.

FEATURES

- Removes oil, scale & rust
- Aluminum & rubber safe
- Cleans sludge & deposits
- Supports cooling efficiency
- Acid-free formula
- Helps reduce overheating

DIRECTIONS FOR USE

1. **Repair & drain** — Fix any leaks, then drain the old coolant completely.
2. **Add 300 ml & water** — Pour in the full can, then top up with warm clean water.
3. **Idle for 20 minutes** — After the thermostat opens, let the engine idle for about 20 minutes.
4. **Drain, flush & refill** — Drain fully; repeat with clean water if needed. Refill with the recommended water/antifreeze mix.

PHYSICAL AND CHEMICAL PROPERTIES

Product type	Aerosol / automotive additive
Use	Ready to use (apply undiluted)

PACKAGING

Product Code	Pack Size	Units per Case	Barcode (EAN-13)
AER3003	300 ml	24	—

STORAGE

Pressurised container: protect from sunlight and do not expose to temperatures above 50 °C. Do not pierce or burn, even after use. Store in a cool, well-ventilated place.

The expiry date, production date and lot number are printed on the pack.

SAFETY INFORMATION

Signal word: Danger
H226 Flammable liquid and vapour.
H350 May cause cancer.
H340 May cause genetic defects.
H302 Harmful if swallowed.
H304 May be fatal if swallowed and enters airways.
H319 Causes serious eye irritation.
H371 May cause damage to organs.
P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
P331 Do NOT induce vomiting.
P201 Obtain special instructions before use.
P280 Wear protective gloves/ protective clothing / eye protection / face protection.

The information in this sheet is based on our current knowledge and experience; users should test the product under their own conditions of use. For safety information, refer to the product Safety Data Sheet (SDS).
