

Stainless Steel Care Spray

Care spray for all stainless steel surfaces

AER1111

PRODUCT DESCRIPTION

DVX Stainless Steel Care Spray cleans, shines and protects all stainless steel surfaces: professional kitchen equipment, appliances, worktops, elevators, handrails, signage and stainless automotive accessories. It hides fine scratches, reduces dust build-up and limits fingerprint formation thanks to a thin, even protective film. The result is a uniform, brilliant surface that is easier to maintain day to day.

FEATURES

- Even stainless shine
- Hides fine scratches
- Limits fingerprints
- Reduces dust build-up
- Kitchens, appliances, elevators
- Thin protective film

DIRECTIONS FOR USE

1. **Dust off** — Remove dust and heavy dirt.
2. **Shake** — Shake the can well before use.
3. **Spray** — Apply a thin layer from about 20 cm.
4. **Buff** — Wipe along the stainless grain with a dry microfiber cloth.
